

DECEMBER'S FIVE EASY PIECES LOCAL RETAILERS PICK THEIR FAVORITES

At THE FAMILY GROOVE, we say: "Think Global, GET IT Local." It's our mission to deliver the groove right to your doorstep—or computer screen, as it were. In TFG's global village, local stores share the stage with national and international ones. Each month TFG will introduce you to regional retailers who have got it going on.

2. THE LOOK

Pattie Shum of the rocked-out MamaSan Maternity Apparel in Huntington Beach, Calif., loves this sexy maternity dress.

"Show off your unique style this winter in the Love Sparrows Dress by your friends at MamaSan Maternity. We just love the long, lean, form-fitting shape to show off your new curves. This tragically hip dress features an empire waistline, V-neckline with inset, detailed sparrow embroidery, and Merrow stitched edging on long sleeves and bottom hem. Stretch in the buttery-soft black fabric provides a flattering fit throughout your entire pregnancy and after Baby arrives. It's incredibly stylish while still being extremely comfortable. Those are the two most important qualities for any pregnant mom-to-be: style and comfort. MamaSan Maternity Apparel gives rocker chic and sexy style a whole new meaning."
